

ATI Virtual Coffee Break

Presentation of the Fair Tax Monitor and its role in advocating tax reforms in Zambia

By Oxfam & Tax Justice Network Africa

9 December 2021, 14:00h (UTC+1)

OBJECTIVES

On behalf of ATI Consultative Group 1, the ATI Secretariat cordially invites you to participate in the upcoming coffee break where the Fair Tax Monitor will be showcased. The Fair Tax Monitor is a tool jointly developed by Oxfam and Tax Justice Network Africa whose overarching goal is to strengthen advocacy activities promoting fairer and more progressive fiscal policies and tax systems. The tool assesses the national tax systems of selected countries by identifying their main challenges, and provides evidence useful for the advocacy work of accountability stakeholders. To date, the tool has been implemented in over 10 countries. The objective of the ATI coffee break is to present the Fair Tax Monitor and provide practical insights derived from the experiences applying it in Zambia.
