DRM portfolio and relevant changes to DRM support strategy

Building on their first Tax for Development Action Programme, which covered the years 2016 to 2019, Finland published a new Taxation for Development Action Programme in 2020. The new Programme shifted the country's regional DRM focus to Africa. The main objectives of the new Programme were to ensure the tax capacity of developing countries, to ensure the tax responsibility and transparency of companies supported by development cooperation funding, and to strengthen the position of developing countries in global tax policy discussions.

Support to country-owned tax reforms

To support country ownership, Finland provides direct funding to regional organizations, such as the African Tax Administration Forum (ATAF), to ensure cooperation projects respond to the needs of partner countries. Finland also promotes early stakeholder engagement and prioritises funding for civil society in their international tax development work.
