DRM portfolio and relevant changes to DRM support strategy

Ireland continued working throughout 2020 to operationalize its whole-of-Government DRM initiative, which launched in 2019. The rollout of its bilateral work under the initiative was impacted by Covid-19, however, the structures for internal, inter-departmental cooperation were strengthened. This improved Ireland's capacity to engage with the African Tax Administration Forum (ATAF) and the OECD on DRM issues. Despite the pandemic, Ireland maintained its funding to these partners on DRM-related initiatives.

Support to country-owned tax reforms

To ensure country ownership of DRM initiatives, Ireland continues to support ATAF, which responds directly to partner country priorities. Bilaterally, Ireland's DRM initiative is demand-led and consultations are help with key stakeholders to discuss priorities and Ireland's capacity to provide peer support.
