DRM portfolio and relevant changes to DRM support strategy

In 2020, Slovenia continued to provide capacity building and technical support to the Economic Community for West African States (ECOWAS) in macroeconomic fiscal modelling, as well as multilateral support through the Center of Excellence in Finance (CEF) in areas of central banking, public financial management and tax administration. Due to Covid-19, support was adjusted to reflect the challenges of partner countries, with many capacity building events moved to virtual spaces. Slovenia's multilateral channel proved to be the most responsive to these Covid-19-related changes.
