

Own Source Revenue at Local Level

Cooperation between VNG
International and Ministry of
Foreign Affairs of the
Netherlands

Public revenues for bottom up development

Sustainable Development Through Local governance (SDLG)

- VNG International is the International Cooperation Agency of the Association of Netherlands Municipalities (VNG)
- 40% of our work is funded by the Dutch MFA through the SDLG programme
- The programme consist of 4 components: Fragility, Migration, Water and Own Source Revenue
- The OSR component is implemented in 3 countries: Uganda, Mozambique and the Palestinian Territories
- Also OSR projects in Uzbekistan, Ethiopia, Tunisia, Bulgaria
